Good Day Saline Craft Show Customers!

I am truly delighted to share this "Vendor Guide" presented by Saline Community Education/Saline Area Schools with you. Throughout the pandemic, my call of the current situation has been that it is "surreal" and I see this guide in the same light---it has categorized crafters plus listed contact information and any special deals they are offering. The guide will be posted every Friday on [Facebook](#) and is always available [here](#) for easy access.

Please use it to support our crafters. 2020 has been "surreal" for them and some are waiting until 2021 to reactivate their product line. However, many are listed here and presenting a product line that is available from now through December 5<sup>th</sup> on our [Facebook](#) page. With the guide, please consider completing your Christmas shopping using crafter products. I am! You well know the quality of their work.

As this is a "new way of shopping" please consider the following:

- Browse down through all postings on [Facebook](#). There may be 1-4 posts a day, but all of the posts below the daily posts are also active.
- Communication with the crafter is important. If contacted, many will send more photos and discuss features—height, size, colors, features. If they do not answer within a reasonable time, re-contact them or get in touch with me.
- All items can be shipped. Due to COVID-19, shipping can be "slow." Keep that in mind for Christmas delivery—order early. Some vendors are offering delivery or pick-up, as well.
- We'll be having numerous contests with prizes - don't forget to enter to win!
- On [Facebook](#), please "share" the posts with your friends. Let's get the word out about the unique and high quality items available.
- Enjoy virtual shopping—no crowds, no lines, no need to drive to Saline! Post your purchases on our [Facebook](#) page and THANK THE CRAFTER for being the creative and uniquely special crafter that they are.

Join our "surreal" world and make Christmas 2020 "surreal" for our Saline Craft Show crafters. If you need assistance, please do not hesitate to contact me.

Here is my personal email if you have any questions or concerns: Cheryl.Hoeft@gmail.com

Thank you for browsing!

Cheryl
