What is Community Education?

Community Education is the educational philosophy that underlies community schools, and advocates the creation of opportunities for community members - individuals, schools, businesses and public and private organizations - to become partners in addressing community needs. Community Education is most easily recognized in the community school, a facility that is open beyond the traditional school day for the purpose of providing academic, recreation, health, social service, and work preparation programs for people of all ages.

Mission Statement

The mission of Saline Community Education is to deliver community education services of the highest quality to the Saline Area School District.

Online Registration: salineonline.reg.eleyo.com
School Year Office Hours: Monday-Friday, 8 am-4 pm

Refund Policy

Full refunds are made when we cancel a class due to low enrollment or circumstances beyond our control.

If you cancel a class before the class begins:

- \$5 cancellation fee charged for classes \$50 and under
- \$10 cancellation fee charged for classes over \$50

Refunds will be prorated for classes held regardless of attendance. A refund request must be made prior to the start of the second class (not applicable to classes with less than three meeting dates). No refunds will be given after the conclusion of a class or program.

Quick & Easy Ways To Register

Preregistration is required for all programs.

Register and pay using Visa/Discover/MasterCard/American Express/Cash/Check. Fees are payable in full at the time of registration.

- Online: salineonline.reg.eleyo.com and search for the class title.
 - In Person: Liberty School, 7265 N Ann Arbor Street, Saline MI 48176. Driver's license is required to sign in during school hours.
 - Phone: 734-401-4020, during office hours
- Register Early: The most common reason for class cancellation is low enrollment.

Returned Checks: Processed by Check Redi - See page 2.

Waitlist: Registrants will be placed on a waitlist if the class has reached its maximum enrollment. Do not attend the class unless our office contacts you.

Discounted Programs & Classes

Students who are approved to receive Free or Reduced Lunch through the Saline Food Service Department are eligible to receive 15% off Community Education Programs and classes. Please call 734-401-4020 to request your discount and to register for classes. Because classes must be financially self-supported through fees, you may be asked to pay up to the full rate under some circumstances.

Student Assistance Policy

Saline Community Education follows guidelines set forth in the Extracurricular Handbook, which can be found at salineschools.org under Extracurriculars.

Class Arrival and Departure

Please note the scheduled time of the activity so that children can be dropped off and picked up promptly. Supervision is not available beyond the scheduled times of the activity. Please be timely in dropping off and picking up children.

Participants with Special Needs

Saline Community Education will provide reasonable accommodations for participants with special needs. To maximize the participant's success in our programs, we ask that at the time of registration, or before that, you please communicate the nature of the participant's needs with our department. Please call 734-401-4020 to register for our programs. We will do our best to have participants start our programs on time, but the start day may be delayed in order to make sure accommodations are in place.

We reserve the right to revoke offers, correct errors, change prices, and make policy changes at any time.

Welcome

A Message from the Superintendent

One of Saline Area Schools' greatest strengths is our shared belief that learning doesn't stop when the school day, or even the school year, ends. Community Education is a shining example of that belief in action. Through many opportunities and activities, Saline Community Education connects learners of every age and background to new avenues for growth, creativity, and connection. As the new Superintendent of Saline Area Schools, I am leading our teams to look ahead with renewed energy and purpose. As we work to shape our district's strategic plan, Community Education stands at the heart of our commitment to innovation and lifelong learning. Each program reflects the values that make Saline exceptional—curiosity, collaboration, and a drive to keep growing together.

Whether it's a child discovering a new hobby for the first time, a student exploring a new skill or seeking connection, or an adult learning simply for the joy of it, these experiences enrich our community and move us closer to our shared vision for the future.

I encourage you to explore all that Community Education offers. Try something new, connect with others, and celebrate the spirit of learning that defines who we are and where we're going. Together, we're building a community where curiosity and connection never stop.

Sincerely,
Rachel Kowalski
Superintendent, Saline Area Schools

SAS Compass

Saline Area Schools Board of Education and Administration

The 4 Cs consist of communication, collaboration, creativity and critical thinking. The dark blue compass points identify 4 primary skills that we want all of our Saline Area Schools' students to demonstrate proficiency in by the time they graduate.

Saline Community Education is committed to the Saline Area Schools 4 Cs mission. Our youth classes promote 4 Cs skills that can be enhanced through participation in a program.

Spring Tea

Sip into your cup of spring tea from the comfort of your home, as you are transported into an exotic world of tea. Spring time is tea time. Tea was an accidental discovery in 2737 BC when a Chinese Emperor had a pot of boiling water and a tea leaf fell into it, and voila, tea was born. Ice tea was an accidental discovery at the World Trade Fair in St. Louis, Missouri in 1904. From black tea to hibiscus tea to Sri Lankan tea, today, tea is highly valued as a health, energy, and social drink. Spring time is tea time. This is a light hearted, fun class, with visually stunning images of tea fields and mesmerizing story telling. Signing up for this class will shape you to appreciate your daily cup of tea even more. FIT Plan Workshop: Navigating Tech & Social Media with Intention

This class is designed to guide families through the digital world—without compromising mental or physical well-being. In today's hyperconnected world, technology and social media are woven into the fabric of childhood, adolescence, and family life. But without intentional boundaries and shared values, these tools can erode connection, increase anxiety, and disrupt healthy development. This interactive workshop introduces the FIT (Family Intentional Technology) Plan—a practical, values-driven framework designed to help caregivers:

- Understand the impact of screen time, social media, and digital habits on children's mental health, sleep, and self-esteem
- Create a personalized FIT Plan that aligns with your family's values, rhythms, and developmental needs
- Set age-appropriate boundaries for devices, apps, and online interactions—without resorting to fear or control
- Foster open communication about tech use, digital citizenship, and emotional safety
- Model healthy tech habits as adults while building trust and accountability with kids and teens

Whether you're raising toddlers, tweens, or teens, this workshop will equip you with the clarity, confidence, and tools to lead your family through the digital age with intention, empathy, and resilience. Let's get Calm, (Dis)Connected, and Clear!

High School Co-Ed Basketball League

The purpose of the Community Education Basketball League is to provide high school students who are not currently participating in interscholastic sports with an opportunity to play basketball. Although competitive by nature, the basketball league will not only provide an opportunity for organized competition, but it will also provide an opportunity for physical activity for both fun and fitness. The league allows the HS students to take responsibility for their own teams - communication with their teammates and Community Education, etc. Each individual player must register and pay online! Find more information online at salineonline.reg.eleyo.com.

Youth Rec Basketball League

The purpose of the Community Education Basketball League is to provide students with an opportunity to learn and develop basketball skills, play games in an organized setting, understand good sportsmanship and teamwork, and have fun! These leagues have been created for both the beginning and the experienced player — no previous experience is required. This league is open to all boys in grades 1-8 and girls in grades 1-6. The league will be divided into grade level divisions - these divisions will be divided based on numbers of registrations in each grade. Once-a-week practices begin the week of January 5th. Please indicate days you cannot practice at time of registration. **Registration deadline is December 1st.** Games are Saturdays - January 24, 31, February 7, 21, and 28. There are no games over Martin Luther King weekend or President's Day weekend. There will be 5 weeks of games and 8 weeks of practices. Players need a jersey to participate in this league. Returning players may use their jersey from last year. New jerseys can be purchased with United Image Group at SalineSpirit.com. Please indicate if you'd like to coach during registration. *Grade levels of league divisions are subject to change based on enrollment numbers.

Choi Kwang Do Martial Art for Children

CKD is a dynamic, innovative approach to martial arts training. It is based on traditional martial arts philosophy that emphasizes the idea of personal development being paramount, rather than sports competition. Classes provide a friendly environment to help students grow in self-discipline and self-confidence. We keep your child moving and motivated. Watch them gain self-confidence as they learn to keep fit and channel aggressive energy. Each class incorporates fast action drills that build martial art and life skills. We have incentives for good academic reports as well as good behavior at home and school. Life skills such as healthy eating, fitness, integrity, "stranger danger" and much more are integrated into our age appropriate martial art instruction. Enroll your child and begin their character building journey today! This is a continuous program. Note: added fees apply if student wishes to test for advancement (see instructor).

Policies & District Information

Policies & District Information

CHECKredi Process for Collection of Returned Checks - Saline Area Schools collects payments from families and the community in a variety of ways, one of which is payment by check. We recognize that occasionally a parent or community member may inadvertently overdraw a checking account and a check may be returned by your bank. In order to recover these funds in a private and professional manner, we have contracted with CHECKredi, LLC, a company based in Lexington, Kentucky, for collection of returned checks. When a check is written and made payable to the district, the person writing the check agrees that, if the check is returned that it may be represented electronically on the same account, and that the fee established by law, now \$25.00 in addition to the face value, may be debited from the same account. If not collected within the initial 7 days the fee will increase to \$35.00. (Please note that all checks should include name, address and telephone number.) CHECKredi will contact you by mail and by telephone in order to make arrangements to pay before attempting to represent the check electronically. Payments may be made to CHECKredi's office by mail to P.O. Box 11848, Lexington, KY 40578. Payments of the check and fee may also be made online at www.checkredi.com using a credit card, debit card or electronic check without any additional fees. For a convenience fee, payments may be made over the telephone at (800) 239-1222 by credit card, debit card or electronic check.
